

Erosion Control Products

Erosion Control Blankets

C350

Manufacturer North American Green
Unit Purchase 78" x 55.5'
Units per Case Each
Description Three stable UV nets with top net being 8lb., middle net is 24 lb., and bottom net is 8 lb. 100% coconut matrix material.

DS75

Manufacturer North American Green
Unit Purchase 8' x 112'
Units per Case Each
Description Single-net straw blanket with a quick degrading (45-60 day) netting structure.

Flexterra FGM

Manufacturer Profile Products
Unit Purchase 50 lbs.
Units per Case Each
Rate 50 lbs./125 gals. water
Description Hydraulically applied, flexible erosion control blanket composed of long strand, thermally processed wood fibers, crimped, interlocking fibers and performance enhancing additives.

Futerra Environet Erosion Control Blankets

Manufacturer Profile Products
Unit Purchase 40" x 135' Green/Natural
82" x 135' Green/Natural
Units per Case Each
Description This effective re-vegetation product is manufactured by combining Hydro-Mulch pure wood fibers with a sunlight sensitive netting. Helps bond the seed to soil surface and accelerate germination.

Futerra F4 NETLESS

Manufacturer Profile Products
Unit Purchase 39' x 90' Green/Natural
78' x 90' Green/Natural
Units per Case Each
Description Combination wood fiber and crimped, interlocking man-made degradable fibers that hold nearly five times its weight in water.

Erosion Control Products

Netless Seed Protector Mats

Manufacturer Profile Products
Unit Purchase 39' x 20' (20/box)
39' x 50' (20/box)
Units per Case Box
Description Combination wood fiber and crimped, interlocking man-made degradable fibers that hold nearly five times its weight in water.

P550

Manufacturer North American Green
Unit Purchase 78" x 55.5'
Units per Case Each
Description Three UV stable nets; all three layers are 24 lbs. 100% polypropylene fiber matrix material.

SC150BN

Manufacturer North American Green
Unit Purchase 80" x 108'
Units per Case Each
Description Double organic netting with 70% straw and 30% coconut.

SR-1 Straw Blanket Rapid Grow

Manufacturer Western Excelsior
Unit Purchase 7.5' x 120'
Units per Case Each
Description Constructed of certified weed-free, agricultural straw with rapid photodegradable synthetic net.

Single Net Excelsior R-1 Blanket

Manufacturer Western Excelsior
Unit Purchase 8' x 90'
Units per Case Each
Description Constructed of 100% Rocky Mountain Aspen, 12 month net.

Double Net Excelsior S-2 Blanket

Manufacturer Western Excelsior
Unit Purchase 4' x 90', 8' x 90'
Units per Case Each
Description Constructed of 100% Rocky Mountain Aspen, 12 month net.

Erosion Control Products

Staples and Drivers

Futerra Bio Stakes

Manufacturer Profile Products

Unit Purchase 5" box of 500

Units per Case Each

Description Biodegradable staples used to secure erosion control blankets, straw netting and sod.

Round-top Pins - Biodegradable

Manufacturer Profile Products

Unit Purchase 5" (500 ct., 6 ct./case)

Units per Case Case

Description 100% biodegradable. Covers more surface areas and prevents mower damage. Allows for easy visual inspection by engineers.

Roundtop Pins - Metal

Manufacturer Various

Unit Purchase 6" (1000/case)

Units per Case Case

Description This round-top head is designed to hold five times the surface area. Less chance of bending or jamming. Works great when securing matting in channels where water is present.

Roundtop Pins - Driver

Manufacturer Profile Products

Unit Purchase Each

Units per Case Each

Description One of the fastest, most efficient means of securing erosion control matting. A center-driving mechanism and gravity fed. Only one moving part.

Staples

Manufacturer Various

Unit Purchase 6" x 1" x 6" (1 box of 1000)

Units per Case Each

Description High strength steel staples are used to secure erosion control blankets, straw netting and sod.

Erosion Control Products

Landscape Fabric

Spunbound

Manufacturer ERO-TEX, LTD.
Unit Purchase Spunbounded Black 4 oz.
3' x 300', 4' x 300', 6' x 300'
Units per Case Each
Description Non-woven polypropylene black fabric with purple lines every 12".

Fuzzback

Manufacturer ERO-TEX, LTD.
Unit Purchase Fuzzback Black 4 oz.
3' x 300', 4' x 300', 6' x 300'
Units per Case Each
Description Non-woven polypropylene black fabric with purple lines every 12".

Silt Fence and Logs

Excelsior Straw Logs

Manufacturer Western Excelsior
Unit Purchase 9" x 25'
Units per Case Each
Description Sediment control logs constructed of 100% weed-free agricultural straw.

Silt Fence

Manufacturer ERO-TEX, LTD.
Unit Purchase 37" x 48" x 100", 8' and 5' center post
Units per Case Each
Description Reduces sediment loading into creeks, streams and lakes from construction sites and roadway projects. Heavy duty fences with oak posts.

Silt Fence (fabric only)

Manufacturer ERO-TEX, LTD.
Unit Purchase 36" x 300' fabric only
IDOT 42: x 300'
Units per Case Each
Description Reduces sediment loading into creeks, streams and lakes from construction sites and roadway projects. Heavy duty fences with oak posts.

Erosion Control Products

Hydraulic Mulches and Amendments

Fiber Bond Ultra

Manufacturer	Profile Products
Unit Purchase	Case
Units per Case	4 x 7.5 lbs.
Rate	4:1 slope: 30 lbs./acre 2:1 slope: 90 lbs./acre Greater than 2:1 slope: 120 lbs./acre
Description	Enhances the performance of hydraulically applied fiber mulch materials by strengthening the mechanical and chemical bond of the mulch matrices.

FiberLock

Manufacturer	Profile Products
Unit Purchase	10 lbs.
Units per Case	Each
Description	Patented, crimped fibers made of polyester for increased erosion control on longer slopes.

FiberMax

Manufacturer	Profile Products
Unit Purchase	10 lbs.
Units per Case	Each
Description	Combination of specially cut and treated synthetic fibers that disperse rapidly in water.

Hydro-Seeding Mulch

Manufacturer	Phoenix Paper Products
Unit Purchase	40 lb. bale
Units per Case	Each
Rate	1500-2000 lbs./acre
Description	100% post-consumer recycled paper product that provides excellent protection. Biodegradable.

Hydro-Seeding Mulch with Tackifier

Manufacturer	Phoenix Paper Products
Unit Purchase	40 lb. bale
Units per Case	Each
Description	100% post-consumer recycled paper product with a 2% guar gum tackifier.

Erosion Control Products

Hydro Straw

Manufacturer Pelletized Straw, LLC

Unit Purchase 50 lb. bale

Units per Case Each

Description Innovative mulch product made in the USA. Specially formulated composition of annually renewable organic fibers, tackifire and other additives provides a new alternative to the old conventional mulches.

NutraLime

Manufacturer Profile Products

Unit Purchase 40 lbs.

Units per Case 40 lbs.

Rate See label

Description Dry formulation to balance soil pH.

ProPlus Aqua Gel

Manufacturer Profile Products

Unit Purchase Case

Units per Case 2 x 16 lbs.

Rate 10 lbs./acre

Description Super absorbent co-polymer gel that holds up to 400 times its weight in distilled water.

Terra Mulch 100% Wood

Manufacturer Profile Products

Unit Purchase 50 lbs.

Units per Case Each

Rate 1500-2000 lbs./acre, depending on slope

Description 100% wood fiber for hydro-seeding.

Terra Mulch 70/30

Manufacturer Profile Products

Unit Purchase 50 lbs.

Units per Case Each

Rate 1500-2000 lbs./acre

Description Combination of 70% wood fiber with 30% cellulose for hydro-seeding.

Terra Mulch JET SPRAY with FiberMax

Manufacturer Profile Products

Unit Purchase 40 lbs.

Units per Case Each

Description Pourable fiber mulch flake with FiberMax. Designed to improve the performance of a wood/cellulose mulch in a jet agitated hydro-seeding machine.

Erosion Control Products

TerraMulch Tacking Agent 3

Manufacturer Profile Products
Unit Purchase 8 lbs. and 25 lbs.
Units per Case 4 x 8 lbs.; Each
Rate 4:1 slope: 30 lbs./acre
Description University tested and proven to reduce erosion and water run-off immediately after hydro-seeding.

TerraMulch Tacking Agent 3 WSP

Manufacturer Profile Products
Unit Purchase Case
Units per Case 7 x 3 lbs.
Rate 30 lbs./acre
Description Proven to reduce erosion and water run-off immediately after hydro-seeding.

Mulching Granules

GreenYard Mulch

Manufacturer Phoenix Paper Products
Unit Purchase 50 lbs.
Units per Case Each
Rate 50-70 lbs./1000 sq. ft.
Description 100% post-consumer recycled paper product that provides excellent protection with a totally biodegradable pellet.

Seed Aide Mulch

Manufacturer Profile Products
Unit Purchase 50 lbs.
Units per Case Each
Description Combination of cellulose and wood fiber mulch, organic tackifier and bio-stimulant.

StrawNet Pelletized Straw Mulch

Manufacturer Pelletized Straw, LLX
Unit Purchase 5 x 10 lbs. and 50 lbs.
Units per Case Bale
Description Uses compressed straw fibers that are formed into easily applied pellets.

Erosion Control Products

Sprayers and Spreaders

Jacto Backpack Sprayer HD 300, CD 400

Manufacturer Jacto

Unit Purchase Each

Units per Case Each

Description The first premium manual backpack sprayer with a fully-internal pump mechanism. HD 300 has a 3-gallon tank and HD and CD 400 has a 4-gallon tank.

Spred-Rite G Gravity Spreader

Manufacturer PBI/Gordon

Unit Purchase 1 applicator

Units per Case 6

Description Gravity applicator for dry products, such as Snapshot, for ornamental landscape beds.
